

## Compliance Onboarding Course

### Zertifikat

#### **Juergen Schlette (GID: XJUERGEN.SCHLETTE@KACO-NEWENERGY.DE)**

hat den oben genannten Lehrplan am 18.05.2020 erfolgreich abgeschlossen.

What is Compliance? For us at Siemens, Compliance means more than just adherence to the law and Company regulations.

With this Onboarding Course, you will get an introduction to our Compliance system and learn more about the Business Conduct Guidelines. They provide the foundation for our decisions and are the key component of business integrity.

The Onboarding Course includes the following subcourses

#### **Mandatory**

- Our BCG - Our Core - Siemens Business Conduct Guidelines
- Siemens Compliance
- Data Privacy Training International
- Antitrust Law: Talking with Your Competitors
- Export Control and Customs – Global Awareness

#### **Optional**

- Your Signature - Your Responsibility
- Transfer of Technology, Information and Software

In a year's time, please complete the mandatory subcourses and the optional subcourses (on a voluntary level).
